## Pittsburgh Connections Kick-off 2009

Saturday, August 22, 2009

Bus Departs: 10:15 a.m.

From: UC Turnaround

Bus Returns: 5:15 p.m.

Thank you for signing up for Venture Outdoors' Riverside Paintball as part of Pittsburgh Connections Kick-off 2009.

Riverside Renegades is the closest to Pittsburgh and the largest outdoor paintball field in western Pennsylvania. To make your game play as exciting as possible, the Renegade's field offers lots of varied terrain including flat areas with man made bunkers, two story buildings, hillsides, cliff faces, etc. We offer 2 basic styles of play, Capture the flag and Mega. Capture the flag splits the group into two teams with forts and the simple objective to "capture" the opponents' flag and return it to your fort. The Mega game begins with a fort for each team, and the object of the game is to capture the fort, and HOLD it from enemy forces. The fun begins when every half hour on the half hour, all "dead" players are re-entered on the playing field. This produces a non-stop adrenaline pumping game for all people, with only a break for lunch! All required equipment will be provided including a Full Face Mask, Semi Auto Paintball Gun, 500 rounds of paint and unlimited refills of CO2. Experienced referees monitor the action for fairness and safety.

### WHAT TO BRING

**Essentials:** *Dress for the weather, some exercise, and plan to get dirty.*

- Water
- Snacks
- Wear long pants and a long sleeve shirt. They help cut the sting from getting hit with a paintball and prevent scratches from the bushes while running. Camouflage can help, stay away from bright colors
- Shoes/boots that can handle getting around in the dirt and mud. Something with ankle support is best.

**Extras:** camera, sunglasses, change of clothes for the car, hat for protection from the sun or cold, binoculars

*Venture Outdoors does not allow participants to bring electronic games, alcoholic beverages, illegal drugs, or firearms on any of our excursions.*

*Carnegie Mellon University*

# VENTURE OUTDOORS

## Acknowledgment and Assumption of Risk

I acknowledge that by signing this document, I am releasing Venture Outdoors, Inc. (VO) and their respective agents, employees, members, sponsors, promoters, partners, officers, directors and affiliates (collectively "Releasee's") from liability. This release form is a contract with legal consequences. I have been advised to read it carefully before signing.

Venture Outdoors activities covered by this document include: hiking, biking, canoeing, kayaking, rafting, camping, backpacking, snowshoeing, cross country skiing, swimming, fishing, in-line skating, trail maintenance, cleanups, rock climbing, caving, dog activities, outdoor leadership training and any other recreational or educational program offered by Venture Outdoors.

Although VO has taken reasonable steps to provide me with appropriate equipment and skilled staff for the outing for which I have registered, I acknowledge that the activities of this outing have risks, including certain risks which cannot be eliminated without destroying the unique character of the activities. The same elements that contribute to the unique character of these activities can cause loss or damage to my equipment, accidental injury, illness, or in extreme cases, permanent trauma, disability or death. I understand that VO does not want to frighten me or reduce my enthusiasm, but considers it is important for me to know in advance what to expect and to be informed of the activities' inherent risks. The following describes some, but not all, of those risks:

- VO courses and outings may occur in remote places, many miles from medical facilities. Communication and transportation can be difficult and sometimes evacuations and medical care may be significantly delayed.
- Equipment may fail or malfunction, despite reasonable maintenance and use.
- Travel is by vehicle, snowshoe, skis, foot, canoe, kayak and other means, over rugged unpredictable off-trail terrain, including boulder fields, downed timber, rivers, rapids, river crossings, snow and ice, steep slopes, and slippery rocks. Attendant risks include collision, falling, drowning and others usually associated with such travel, including environmental risks.
- Environmental risks and hazards include rapidly moving, deep or cold water; insects, snakes or predators, including large animals; falling and rolling rock; lightning, avalanches, flash floods and unpredictable forces of nature, including weather which may change to extreme conditions without notice. Possible injuries and illnesses include hypothermia, frostbite, sunburn, heatstroke, dehydration, and other mild or serious conditions.
- VO activities are conducted indoors and outdoors, day and night. Physical activities include running, sustained climbing, hiking and repetitive lifting.
- Decisions are made by the instructors, trip leaders and participants usually in a wilderness setting, based on a variety of perception and evaluations which by their nature are imprecise and subject to reasonable errors in judgment. Misjudgments may pertain to, among other things, a student's or participant's capabilities, environment, terrain, water and weather conditions, natural hazards, routes and medical conditions.
- VO participants, including minors, will have unsupervised free time before, during and after their course or outing. Free time activities are not part of the VO program and are at the sole risk of the participants. VO has no responsibility for such activities. VO staff and volunteers may from time to time provide assistance or even accompany participants in these free time activities, but in doing so, they are acting as private individuals, and not for VO.

I am aware that VO activities include risks of my injury or death. I understand the description above of these risks is not complete and that other unknown or unanticipated risks may result in property loss, injury or death. I agree to assume responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to participate, and I elect to participate in spite of and in full knowledge of the inherent risks.

I acknowledge that engaging in this program may require a degree of skill and knowledge different from other activities and that I have responsibilities as a participant. I acknowledge that the staff and volunteers of VO have been available to more fully explain to me the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.

I represent that I am fully capable of participating in the program, without causing harm to others or myself. Therefore I, and my parent(s) or guardian if I am a minor, assume and accept full responsibility for me and for injury, death and loss of personal property and expenses suffered by me and them as a result of those inherent risks and dangers identified herein, those inherent risks and dangers not specifically identified, and as a result of my negligence or otherwise wrongful conduct in participating in these activities. For myself, my heirs, executors, administrators, legal representatives, assignees, and successors in interest (collectively "Successors") **I HEREBY WAIVE, RELEASE, DISCHARGE, HOLD HARMLESS, AND PROMISE TO INDEMNIFY AND NOT TO SUE** the Releasee's and the sponsors of this event, the organizer and any promoting organizations, property owners, law enforcement agencies, all public entities, special districts and properties, and their respective agents, officials, and employees through or by which the events will be held, (the foregoing are also collectively deemed to be Releasee's), **FROM ANY** and all rights and **CLAIMS INCLUDING CLAIMS ARISING FROM THE RELEASEES' OWN NEGLIGENCE**, which I have or which may hereafter accrue to me and from any and all damages which may be sustained by me directly or indirectly in connection with, or arising out of, my participation in or association with the event, or travel to or return from the event.

I agree it is my sole responsibility to be familiar with the Releasee's rules, and any special regulations for the event. I understand and agree that situations may arise during the event which may be beyond the immediate control of VO. I will follow the instruction and guidance of the trip leader(s). I have no physical or medical condition which to my knowledge, would endanger myself or others if I participate in this event, or would interfere with my ability to participate in this event.

In addition, I hereby grant full permission to the trip leaders, the Venture Outdoors and their respective agents, boards, commissions, and any other involved parties of the foregoing to use photographs, videotapes, motion pictures, or any other record of this event, including my name, likeness and/or voice for any legitimate purpose, including for advertising display, audiovisual presentations or otherwise.

I agree, for myself and my successors, that the above representations are contractually binding, and are not mere recitals, and that should I or my successors assert my claim in contravention of this agreement, the asserting party shall be liable for the expenses (including legal fees) incurred by the other party or parties in defending, unless the other party or parties are finally adjudged liable on such claim for willful and wanton negligence. This agreement may not be modified orally, and a waiver of any provision shall not be construed as a modification of any other provision herein or as consent to any other provision herein or as consent to any subsequent waiver or modification.

Every term and provision of this agreement is intended to be severable. If any one or more of them is found to be unenforceable or invalid, that shall not affect the other terms and provisions, which shall remain binding and enforceable. This agreement is entered into voluntarily, after careful consideration and is binding upon the persons signing below, their heirs, executors, administrators, wards, minor children and other family members.
