

h1visajobs.com

What is h1visajobs.com?

h1visajobs.com is a series of online databases that contain information on thousands of American firms, all over the United States, in all disciplines that have actually offered H-1B jobs to international professionals. All information is gathered using the federal government's statistics.

Who should use h1visajobs.com?

h1visajobs.com is designed to assist international students in finding jobs with the opportunity for sponsorship. The site also contains information on immigration news that students might find interesting.

Why use h1visajobs.com?

By using h1visajobs.com online databases, you will be able to best help yourself by determining which employers you can target for employment on a Practical Training visa or H-1B visa. Please keep in mind that the databases should be used as a tool to help identify companies. ***Please note that company presence on the site does not indicate that jobs or internship opportunities are readily available.*** To determine availability of positions, please reference company websites directly and apply accordingly.
