Develop a scholarship plan
∩
Incorporate a scholarship plan into new member education

Due November 8, 2009

Chapter: _____

Person Completing Form: _____

Scholarship Plan for the Chapter

____ Scholarship Plan for the chapter is attached. The scholarship plan should include:

QPA requirement that members must meet in order to be able to be in “good standing” with the chapter

QPA requirement to be eligible to hold an office

QPA requirement to be allowed to extend a bid for membership to a recruit

QPA requirement to be able to initiate into full membership

Outline of corrective action that is put in place to assist members in improving their QPA

Disciplinary action that is taken when a member does not meet the QPA requirements

Outline of 5 milestones the chapter will accomplish this semester that the chapter believes will help it reach the chapter’s scholarship goals

____ Outline of corrective action that is put in place to assist a member in improving their academic performance

____ Members have been made aware of the scholarship requirements and understand the expectations related to academic achievement for the chapter.

____ The chapter scholarship officer obtains the chapter QPA average from the Student Life Office.

____ Disciplinary action is taken for members who do not meet the minimum requirements of academic good standing over a specific period of time

Incorporating Scholarship into New Member Education
